Homework :

- Apprendre le lexique de la leçon.
- Rédiger 2 ou 3 phrases :
 - What is the most dangerous animal in the world ? Why ?

Un exemple de production :

In my opinion, the most dangerous animal in the world is the hippopotamus because it is aggressive and unpredictable. They are big, but they are fast runners and have sharp teeth.. They can attack you when they want to defend their territory, or when they think their babies are in danger.
